EXPERIENCE

Future Standard | Philadelphia, PA
Cooperative Education (MAR 2025 - SEP 2025)
- Redesigned key documents, refreshing digital templates, and produced branded signage and marketing materials for office installations and company events across digital platforms and internal systems for Future Standard's rebrand.

The Antoinette Westphal College of Media Arts & Design | Philadelphia, PA
Work Study (JAN 2024 - PRESENT)
- Designed and produced digital and print materials (e.g., posters, flyer, social media content) for university departments, ensuring alignment with institutional branding and visual guidelines.

Jollibee | Philadelphia, PA
Crew Member (MAR 2024 - MAR 2025)
- Process cash and credit transactions in a fast-paced, high-volume restaurant setting, and was recognized for a high customer satisfaction rating

PROJECTS

Senior Capstone: Finding your Zodiac
Researcher + Designer (JAN 2026 - PRESENT)
- Designing a comprehensive astrology-based capstone project exploring zodiac identities, creating cohesive visual content and structured informational layouts to communicate traits, symbolism, and cultural significance across multiple signs

UI/UX Scripting: What's your Wii?
Designer (JAN 2026 - MAR 2026)
- Designed and developed an interactive UI/UX webpage using HTML, CSS, and JavaScript, allowing users to discover their Wii through a zodiac-based function or thumbnail navigation

The WILMA Theater Brand Redesign
Researcher + Designer (SEP 2024 - MAR 2025)
- Redesigned the logo and visual identity for a prominent Philadelphia-based theater using Adobe Illustrator and Photoshop
- Developed branding assets for both digital and print platforms to create a cohesive and modern look
